

Annual Report

2025-2026

INTRODUCTION

The Annual Report for the financial year 2025–2026 presents a comprehensive overview of the continued journey of Sudhir Tailang Trust in serving society with commitment, integrity, and compassion. This year represents a phase of steady progress, institutional strengthening, and sustained community engagement.

Building upon the foundations laid in previous years, the Trust continued its focus on education, healthcare, women’s empowerment, environmental responsibility, and support for vulnerable sections of society. The reporting period reflects a balanced approach—maintaining continuity in core activities while enhancing the quality, accountability, and impact of interventions.

This report outlines the Trust’s vision, mission, objectives, activities, and future direction, reaffirming its dedication to inclusive development and long-term social well-being

MESSAGE FROM THE PRESIDENT

It is a privilege to present the Annual Report of Sudhir Tailang Trust for the Financial Year 2025–2026. The year reflects our continued commitment to responsible social service, ethical governance, and meaningful community engagement.

Our initiatives across education, healthcare support, women empowerment, environmental awareness, and community welfare have remained focused on creating sustainable impact rather than short-term relief. The trust and participation of beneficiaries, volunteers, and supporters continue to strengthen our resolve and direction.

I extend my sincere gratitude to our trustees, team members, donors, and well-wishers for their unwavering support. As we move forward, Sudhir Tailang Trust remains dedicated to strengthening its programs and upholding the values on which the Trust was founded, working steadily toward inclusive and compassionate development.

President
Sudhir Tailang Trust

OUR OBJECTIVE

VISION

Sudhir Tailang Trust envisions a society where every individual, regardless of background or circumstance, has access to basic opportunities that enable a life of dignity, security, and self-respect. The Trust believes that inclusive development is the foundation of a just and progressive society.

Our vision emphasizes empowerment through education, access to healthcare, gender equality, and sustainable livelihood opportunities. By nurturing awareness, skills, and social responsibility, the Trust seeks to enable individuals and communities to become self-reliant contributors to societal growth.

Through ethical practices, community engagement, and long-term commitment, Sudhir Tailang Trust aspires to create lasting social impact. The Trust aims to evolve as a credible institution that fosters compassion, resilience, and sustainable development for present and future generations.

MISSION

The mission of Sudhir Tailang Trust is to work toward inclusive social development by addressing the educational, health, economic, and social needs of underserved communities. The Trust is committed to creating meaningful opportunities that improve quality of life and promote dignity, equality, and social justice.

Through well-planned initiatives and community-driven approaches, the Trust seeks to empower individuals—especially women, children, and vulnerable groups—by enhancing access to education, healthcare support, skill development, and awareness programs. Our mission focuses on building self-reliance and long-term resilience rather than dependency.

Guided by principles of transparency, ethical governance, and collaboration, Sudhir Tailang Trust strives to implement sustainable solutions with measurable impact. By working closely with communities, partners, and stakeholders, the Trust aims to contribute consistently to a more equitable, responsible, and compassionate society.

ACTIVITIES

During the Financial Year 2025–2026, Sudhir Tailang Trust continued its commitment to community welfare through a range of socially relevant activities aimed at addressing education, healthcare, women empowerment, environmental awareness, and support for vulnerable sections of society. All activities were implemented with a focus on sustainability, inclusiveness, and responsible resource utilization.

Education Support Initiatives

The Trust undertook educational support activities to encourage learning among children and youth from underserved backgrounds. These efforts included assistance for educational materials, awareness about the importance of education, and support aimed at reducing dropout rates and promoting continuity in learning.

Healthcare & Well-being Support

Recognizing health as a foundation of social development, the Trust extended support toward healthcare awareness and basic medical assistance. Activities focused on promoting preventive healthcare, hygiene awareness, and access to essential health-related support for economically weaker sections.

Women Empowerment & Social Awareness

Women empowerment remained a key area of intervention. The Trust supported initiatives that encouraged women's participation, awareness of rights, financial literacy, and confidence-building, enabling them to play a more active role in their families and communities.

Environmental Awareness & Responsibility

The Trust continued to promote environmental consciousness through awareness-based activities encouraging responsible behavior, cleanliness, and sustainable practices. These efforts aimed to sensitize communities toward environmental protection and long-term ecological balance.

Support to Social Causes & Partner Organizations

As part of its collaborative approach, Sudhir Tailang Trust extended support to social causes and like-minded organizations working for community welfare. During the year, the Trust made a contribution to Aditi Foundation, reinforcing its belief in collective action and shared responsibility for social development.

Through these activities, Sudhir Tailang Trust remained focused on creating meaningful impact while strengthening community participation and social responsibility.

ENROLLMENT

During the Financial Year 2025–2026, Sudhir Tailang Trust facilitated enrollment support as part of its broader commitment to education and social inclusion. The Trust focused on encouraging access to educational opportunities for children and individuals from underserved and economically weaker backgrounds.

Enrollment-related efforts included awareness about the importance of formal education, guidance to families on admission processes, and support in connecting beneficiaries with appropriate educational institutions and programs. Special emphasis was placed on first-generation learners to help reduce barriers that often prevent enrollment and continuation of education.

Through these efforts, the Trust aimed to promote consistent participation in education, reduce dropout risks, and strengthen the foundation for long-term learning and personal development. Enrollment initiatives were carried out with a community-centric approach, ensuring inclusiveness, dignity, and equal opportunity for all beneficiaries.

ACHIEVEMENTS

During the Financial Year 2025–2026, Sudhir Tailang Trust achieved meaningful progress in advancing its mission of inclusive social development. The Trust's consistent efforts strengthened community engagement and reinforced its commitment to ethical, responsible, and impact-oriented social service.

One of the key achievements of the year was the continued implementation of education, healthcare awareness, women empowerment, and environmental responsibility initiatives with a focus on sustainability rather than short-term intervention. The Trust successfully reached underserved communities and encouraged participation through awareness-driven and community-centric approaches. The Trust also strengthened its collaborative outlook by supporting social causes and partner organizations working toward similar objectives. The contribution made to Aditi Foundation during the year reflects the Trust's belief in collective action and shared responsibility for societal well-being.

Institutionally, Sudhir Tailang Trust maintained transparency, accountability, and compliance in its operations. Strengthened governance practices, documentation, and responsible utilization of resources further enhanced the Trust's credibility and public trust. Overall, the achievements of the year reaffirm the Trust's steady progress toward creating long-term social impact while remaining aligned with its core values of integrity, compassion, and service.

GOVERNANCE, MONITORING & ACCOUNTABILITY

Sudhir Tailang Trust is governed by a structured framework that emphasizes ethical leadership, transparency, and compliance with statutory requirements. The Trust is overseen by its trustees, who provide strategic direction and ensure that all activities remain aligned with the organization's vision, mission, and objectives.

Monitoring mechanisms are integrated into program planning and implementation to assess effectiveness and relevance. Activities are periodically reviewed to ensure proper utilization of resources, adherence to approved objectives, and alignment with community needs. Feedback from beneficiaries and stakeholders is considered an important part of the monitoring process.

Accountability remains a core principle of the Trust's operations. Financial records, documentation, and reporting are maintained with due diligence to ensure transparency and credibility. Through responsible governance and clear accountability practices, the Trust continues to strengthen stakeholder confidence and institutional integrity.

FUTURE ROADMAP

Sudhir Tailang Trust's future roadmap is guided by a commitment to consolidation, sustainability, and deepening social impact. The Trust aims to strengthen its existing programs rather than pursue rapid expansion, ensuring that initiatives remain effective, community-centered, and outcome-oriented.

In the coming years, the Trust plans to enhance its focus on education, healthcare awareness, women empowerment, and environmental responsibility through improved program design and stronger community engagement. Emphasis will be placed on capacity building, awareness generation, and long-term solutions that promote self-reliance among beneficiaries.

The Trust also envisions strengthening its institutional capacity by enhancing governance practices, documentation, and partnerships with like-minded organizations. By fostering collaboration and maintaining ethical standards, Sudhir Tailang Trust seeks to evolve as a resilient and credible institution committed to inclusive and sustainable social development.

CONCLUSION

The year 2023–2024 has been a journey of impact, growth, and renewed commitment to our mission. Through collaborative efforts, dedicated teamwork, and the unwavering support of our partners and beneficiaries, we have taken meaningful steps toward creating a more inclusive, empowered, and compassionate society. While challenges persist, our achievements reflect the resilience of our communities and the power of collective action. As we move forward into 2024–2025, we remain determined to expand our reach, strengthen our programs, and continue working with integrity and purpose for lasting social transformation.
